Situation in occupied Palestine

Report of the Secretary-General

1. At its forty-seventh session the Commission on Human Rights adopted resolution 1991/6, entitled "Situation in occupied Palestine". By this resolution, the Commission inter alia called upon Israel to comply with its obligations under the Charter of the United Nations and to withdraw from the Palestinian and other Arab territories which it had occupied since 1967, including Jerusalem. It requested the Secretary-General to transmit the resolution to the Government of Israel with a view to its implementation, to report to the Commission at its forty-eighth session on the extent of achieving that aim, and to make available to the Commission, prior to the convening of its forty-eighth session, all information pertaining to the implementation of the resolution.

2. In accordance with these requests, the Secretary-General on 28 June 1991 addressed a note verbale to the Minister for Foreign Affairs of the State of Israel requesting information on the measures taken or envisaged by his Government in implementation of this resolution.

3. No reply had been received at the time of the preparation of the present report.
